

## Organisation of the DIM C-BRAINS international PhD program

### **Step 1: Submission of thesis topics on the DIM C-BRAINS platform**

- Start: September 15, 2023
- End: October 15, 2023

Once step 1 has been completed, the eligibility of applications will be checked by the scientific coordination of the DIM C-BRAINS.

### **Step 2: Eligible thesis topics published online and student applications opened**

- Start: November 6, 2023
- End: 29 January 29, 2024

Once step 2 has been completed, the eligibility of student applications will be checked by the scientific coordinator of the DIM C-BRAINS in collaboration with the PhD program committee referent.

### **Step 3: Selection of candidates by researchers → formation of candidate/subject pairs**

- Start : February 14, 2024
- End: March 20, 2024

In step 3, the researchers will have to choose a single candidate from among those who have selected their subject.

- To select their candidate, the researchers can base their choice on their academic record, contact them by email or conduct interviews.

### **Step 4 : Pre-selection jury**

- Date: April 24, 2024

Between step 3 and 4, the academic files of the candidate/subject pairs will be evaluated. Candidates shortlisted in stage 4 will be invited to the next step.

### **Step 5 : Audition of candidates**

- Date: From May 28 to May 30, 2024

In step 5, the candidates will be auditioned by the DIM C-BRAINS jury by videoconference.

### **Step 6 : Results announcement**

- Date: June 7, 2024
